

Subject: Normal Timetable - Update Sunday Evening

13 May 2022

As promised I am doing a quick update in regard to our plans for next week in regard to normal timetabling or the need to shift to a roster system for a period of time. At this stage we are not going to move to a roster but I do want to reassess this on Sunday afternoon/evening. At the moment things can change substantially over two days so we will make a call for next week on Sunday afternoon. While we have 13 staff away again today at this stage this could be as low as 2 staff come Monday but let's see how the weekend goes. With the revised roster all students come to school on a Monday anyway. Below I have updated the draft roster to a final one in case you want to pencil in any plans. Remember we do provide supervision as well so no one is stuck.

Final Roster (not implemented as yet)

Monday: All students to attend as normal

Tuesday: Year 8 students rostered home

Wednesday: Year 7 students rostered home

Thursday: Year 10 students rostered home

Friday: Year 9 students rostered home

Have an amazing weekend everyone and best of luck for all of our winter sports people! Please check emails on Sunday evening.
