General Business:

- Quiz Night: We have 17 teams registered; We will need 4 PTA helpers on the night, currently only 3 volunteers; Rae to follow up outstanding prizes, has purchased additional supplies to make up baskets, and collected float for the evening; Dynelle to bring PTA aprons on the night.
- Sharnyn will organise a thank you gift for Shelley Halpin.
- The PTA would like to give Fraser Hill a gift at his farewell to show our appreciation for his support over the years. \$250 was agreed by all. There may not be anyone available to attend the farewell event so Dynelle will check if there is a day suitable for PTA to meet with Fraser, possibly combining with a staff lunch provided by us.
- Whare carving: Rae has been in contact with the artist and is organising the koha for the artwork.
- Scooter stands: RHS has been approached by HCC to trial a "Scooter Library" and have offered to assist PTA to source stands as approved last meeting. Dynelle will work with TJ and respond with the information requested to get this underway.
