|-------------------------|---------|----------|
| February Balance Sheet: | Opening | \$22,229 |
| | Closing | \$20,218 |

Teacher's Report: Staff are focusing on supporting each other and students through the current Omicron outbreak, everyone is in "survival mode" at the moment.

General Business:

- **Market Day:** All agreed that due to the Omicron outbreak our Market Day would be cancelled for this year. This is in line with other major events in the next few months e.g. Fieldays. Sharnyn to notify school management of the decision. It was suggested that a "mini market" could be arranged for later in the year to raise some funds and support students who usually hold stalls at the Market Day, possibly together with the food trailer launch.
- **Uniform Sales:** Rae noted that second hand uniform sales were going well, bringing in over \$600 this month.
- **Feathers:** Dynelle to discuss at the next meeting. Pricing has been dropped and only one sale has been made.
- **Entertainment Books:** Shelley has had the latest promotion advertised in the newsletter.
- **Meetings:** Sharlene suggested that meetings are held less frequently to better align with the reduced fundraising activity due to Covid. All agreed to two-monthly meetings on a temporary basis.

Next PTA Meeting: 18th May 2022, TBC

Meeting Closed: 5:53pm
