

2019 Rototuna High School Market day

With everyone's support we raised

\$13,000.00

which will go towards purchasing 2x purpose built trailers to use at events

LEGACY WALL

We are creating a piece of art in the form of a cloak as a legacy wall to be installed & fixed to the building on the Junior High side of the Breezeway. A cloak was chosen to represent our founding staff and families as it fits beautifully alongside our school logo the kāhu (or swamp harrier). The weaving of the feathers together into a cloak shows the importance of community, history, and family becoming one to watch over and protect the future staff and students of our amazing school. Families are now being given the chance to purchase a small feather for their child or children.

- Small stainless steel feathers are \$100 each.
- Lines of text will be engraved within the 'feather' lines.
- You choose what is engraved on your feather (within our parameters).

We suggest a student's name & the year they began attending. Multiple children can be listed on one feather
